GET STARTED

Grab your Library card and visit your local Library or calgarylibrary.ca/summer to register for the Ultimate Summer Challenge.

No Library card? No problem! Library cards are free for everyone. Participating children, no matter their age, must register with their own Library card.

GRAND PRIZES Registration for the Ultimate Summer Challenge means you are automatically entered to win the grand prizes in your age category! Families with children 0-5 can win a custom storybook with their child as the main character and a book bag. Teens (ages 12-17) can win one of ten Chromebooks and kids (ages 6-12) are entered to win one of two iPads, two Nintendo Switches, and a bicycle. One child from each location is also eligible to win tickets to an After-Hours party at the new Central Library for themselves, a friend or sibling, and an adult.

ARE YOU UP FOR THE CHALLENGE? Kids and families (ages 0-12) can pick up, or print off, their Challenge Map. Record your reading, listening, and Library time, working your way to a collectible DIY prize. Time spent at the Library counts towards your goal, so be sure to check out everything in this Summer Kids Guide, which lists all our free summer events, activities, and programs. Last year, Calgary kids read 135,576 hours! How many hours will you read this summer?

Teens complete reading and learning challenges online and earn prizes along the way!

VISIT YOUR LIBRARY Borrow books, CDs, DVDs, and more. Attend free events, performances, and workshops for all ages. Explore online eResources. Visit an installation at a Library that is new to you. Earn a sticker for every two hours of reading time and one hour spent at the Library. Show your completed Challenge Map for a prize. How many Challenge Maps will you complete this summer?

WEEKLY PRIZE DRAWS Each week, a kid and teen from each location, registered in the Ultimate Summer Challenge, will be randomly chosen to receive a Chapters gift card. The earlier you register, the more chances to win!

Register May 15 – August 31 at calgarylibrary.ca/summer or your local Library.
